

REQUEST FOR COUNCIL ACTION

MEETING
DATE: 4/7/03

29

AGENDA SECTION: Consent	ORIGINATING DEPT: Administration	ITEM NO. D-6
ITEM DESCRIPTION: Authorization to Bid First Street Ramp		PREPARED BY: Doug Knott DK
<p>AGA has completed preparation of plans and specifications for a one level addition to the First Street Parking Ramp. The project will add approximately 95 spaces to the ramp at an estimated total project cost of \$2,000,000. The scope of the design work was expanded (with Council approval) to also include the supporting structure for the south end of a new skyway bridge that will link Broadway Plaza to the skyway system. The project also includes the retrofit of the existing guard rails in the ramp to bring them up to current code (we need to increase them from their current height of 36" to 42").</p> <p>The intent is to open bids on May 13, 2003 and award a contract at the May 19, 2003 Council meeting. Work on the project will be complete by late fall of this year.</p> <p><u>COUNCIL ACTION REQUESTED:</u> Authorization to solicit bids for a one level addition to the First Street Parking Ramp and related improvements.</p>		
COUNCIL ACTION: Motion by: _____ Second by: _____ to: _____
